

WHERE FARMLAND BECAME CITY
Kano, 2015 to 2026

Since 2015

- Built over
- Partly built
- Already built
- Stayed open

Each cell is a 200-metre neighbourhood, compared between 2015–17 and 2024–26. Orange was farmland and is now mostly built: 378 neighbourhoods, 320,000 people. Red was already built; gold stayed open.
